

PINNACLE ...

committed to quality...dedicated to customer service.

### Pinnacle Construction

is a General Contractor specializing in Commercial/Industrial Construction and Renovation.

As a building owner, developer or architect, you realize the importance of dedicated customer service, competitive rates and, most importantly, high quality workmanship. Because Pinnacle

is a small company, we can offer personal attention to every project, as well as reasonable project cost. To accomplish your project, we will employ a professional staff of supervisors,

carpenters, laborers, equipment operators and qualified subcontractors. Each project is completed to exact specifications on time and on budget.
